### ABOUT CAMELOPARD CABERNET SAUVIGNON

**Camelopard is the more traditional English expression for 'giraffe'.** The label, on the other hand, features a modernized and more fun logo that does not go unnoticed. As Bodegas Albero works on the vineyard with ancient and modern winemaking techniques, the image of this wine combines old and new in a fun way.

### TASTING NOTES

Soft and inviting on the palate, with flavors of cherry, mulberry, anise and dark berry fruits with a hint of nutmeg spice. It has a lingering finish with a savory complexity and robust tannins.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

The grapes used for this wine are hand-picked, then they are fermented in small tanks which we pump over several times a day.
