## Camelopard

### ABOUT CAMELOPARD WHITE BLEND

**Camelopard is the more traditional English expression for 'giraffe'.** The label, on the other hand, features a modernized and more fun logo that does not go unnoticed. As Bodegas Albero works on the vineyard with ancient and modern winemaking techniques, the image of this wine combines old and new in a fun way.

### TASTING NOTES

Citrus, wet grass and green apple are what you first encounter when you approach this wine. Clean fresh acidity with lingering tangerine notes make for a very enjoyable finish.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

The grapes used for this wine are hand-picked, then they are fermented in small tanks which we pump over several times a day.
