20,000 Leguas

ABOUT 20,000 LEGUAS ORANGE WINE

20,000 Leguas is a reference to the science fiction novel by Jules Verne, "20,000 Leagues Under the Sea". We were inspired by this unique author to create a well-balanced and approachable wine for those looking for something interesting and different.

This 20,000 Leguas can be a perfect gateway for anyone looking to enter the world of skin-contact wines. It's an organic and vegan-friendly wine, and it can be a perfect companion to food.

TASTING NOTES

Amber color, aromas of tropical fruit, hazelnut, apple and dried orange rind on the nose. Well-structured with sweet and soft tannins and good acidity.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

By winemaker Ruth Fernández. Fermented with its skins, left in contact for three weeks causing the color change. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.
