Lobetia

ABOUT LOBETIA CABERNET SAUVIGNON

Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did. Since its debut fifteen years ago, Punctum has been producing award-winning organic wines. Female oenologist, Ruth Fernandez, strives to deliver bright and well balanced wines that capture the terroir.

TASTING NOTES

Beautiful cherry color with shades of violet. Ripe fruit notes on the nose: blackberry, black currant, plum, and black cherry. Well-balanced with soft tannins.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

By winemaker Ruth Fernández. The grapes are night harvested and immediately cold macerated before fermentation to ensure a vibrant and unique final product. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.
