ACIDITY: 5.2

Lobetia

ABOUT LOBETIA ROSÉ

Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did.

This Rosé will delight anyone hunting for a fresh everyday drinking rosé.

TASTING NOTES

Pale rosé color. Passion fruit and strawberry notes on the nose. Bright and fresh with strawberry and light citrus flavors on the palate. Medium bodied with crispy acidity.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

By winemaker Ruth Fernández. The grapes are night harvested to keep their optimal temperature, and they are also cold macerated before fermenting. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
