Lobetia

ABOUT LOBETIA SAUVIGNON BLANC

Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did. This wine is a true reflection of the soil where it has been grown. Its fruitful and fresh flavor showcases the impression of its terroir.

TASTING NOTES

A golden hue and aromas of citrus. Herbaceous notes on the nose. Light bodied with crispy acidity that leads into elegant minerality that lasts on the palate.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.
