## Petulante Pét Nat

### ABOUT PETULANTE WHITE PÉT NAT

**Petulante, a wordplay on Pét Nat, is our take on a pétillant naturel.** Although its rise to popularity is quite recent, this winemaking technique that has been practiced for centuries. Our approach goes beyond a naturally sparkling wine, as we incorporate our organic and vegan winemaking process. The result is a delicious, rustic wine with minimal intervention, enjoying all the benefits and authentic flavours of organic farming.

### TASTING NOTES

Medium yellow color with hazy appearance. Delightful citrus aromas on the nose as well as floral notes. On the palate, it has flavors of green apple, lemon and elderflower, along with mineral notes. Pleasant, rich frizzante palate.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

By winemaker Ruth Fernández. Cloudy wine. First fermentation, naturally sparkling containing its own lees. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.
