## Punctum Aventurero

### ABOUT PUNCTUM AVENTURERO

A very accessible biodynamic white wine, with all the benefits of organic and biodynamic farming: authentic and beautiful aromas, delicacy on the palate, free of any chemicals, herbicides or animal products. Produced by winemaker Ruth Fernández, Punctum “Aventurero” (Adventurous) is a low sulfite content wine, made from proprietary blend of organic white grapes, harvested at night.

### TASTING NOTES

Light straw color with green reflections. A bright wine with passion fruit and herbaceous notes on the nose. Balanced acidity with a crisp, fresh finish.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

By winemaker Ruth Fernández. Night harvested. Indigenous yeast. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

### MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
