## Punctum Intrépido

### ABOUT PUNCTUM INTRÉPIDO

A very accessible biodynamic young red wine, with all the benefits of organic and biodynamic farming: authentic and beautiful aromas, delicacy on the palate, free of any chemicals, herbicides or animal products. Produced by winemaker Ruth Fernández, Punctum “Intrépido” (Intrepid) is a low sulfite content wine, made from proprietary blend of organic red grapes, grown on mixed soil of sand and clay.

### TASTING NOTES

Beautiful cherry red color with a purple undertone. The nose shows off bright red berry notes. Smooth and harmonious finish.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

By winemaker Ruth Fernández. Indigenous yeast. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

### MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
