Punctum Sin Sulfitos

ABOUT PUNCTUM SIN SULFITOS

Dominio de Punctum is named after its winery. The name for this wine couldn't be more fitting, since it represents beautifully the characteristic aromas of its terroir and the values of sustainable agriculture and centuries-old winemaking tradition that make its vineyard stand out.

TASTING NOTES

Nice cherry color with a violet shade. Red berries and cherry bouquet on the nose. Fresh and harmonious with long finish on the palate. Soft tannins and good acidity.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

By winemaker Ruth Fernández. Organically and biodynamically farmed and made from our estate-grown grapes. Punctum Sin Sulfitos Tempranillo is a wine with no sulfites added. Aged for four months in American Oak. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
