## Vaivén Blanc de Noir

### ABOUT VAIVÉN BLANC DE NOIR

**Vaivén means “swaying” in Spanish.** In the same way, this wine can make you sway to its gentle and tasty flavors. You can get carried away by its fresh and floral aromas, depicted in the spring-like flowers on the label. This is a memorable new take on Tempranillo, the noble grape of Spain. What started as a whim in a spare tank and has turned into one of our most popular wines.

### TASTING NOTES

Bright yellow color with pearly iridescence at first sight. Red berry and passion fruit notes. Medium bodied and balanced, with a refreshing acidity.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

By winemaker Ruth Fernández. Organically and biodynamically farmed. Produced by quickly removing the skins from the juice after the grapes have been pressed. Indigenous yeast. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

### MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
