## Vaivén Crianza

### ABOUT VAIVÉN CRIANZA

**Vaivén means “swaying” in Spanish.** In the same way, this wine can make you sway to its gentle and tasty flavors. You can get carried away by its fresh and floral aromas, depicted in the spring-like flowers on the label. The organic and biodynamic wines like this award-winning Vaivén Tempranillo Crianza are the signature product of Punctum.

### TASTING NOTES

Cherry color and a violet rim at first sight. The bouquet combines spices and chocolate notes. Balanced and rich palate, with velvety tannins and long finish.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.
