## Vinyl Collection: 33 1/3 RPM

### ABOUT 33 1/3 RPM WHITE BLEND

**33 1/3 RPM refers to an LP, long play or album**, with 10–12 minutes of music per side, 10" or 12" record turning at a speed of 33 1/3 revolutions per minute. This wine is a part of the Vinyl Collection, modern blends with a funky retro touch.

### TASTING NOTES

Light yellow with green notes. Layered hints of freshness and floral aromas. Well-rounded malva savory peach and fresh pear and pineapple flavors, and a soft, white tannin finish.

### SOIL

The vast majority of the South African wine industry is located in The Western Cape. The Cape Fold belt plays an important part in the viticulture of the region, contributing the ideal soils for the production of premium wines. The climate is Mediterranean, but it can also be cool and rainy.

The grapes are sourced from vineyards in the Piekenierskloof region, with low yields the norm. Each component was picked and handled separately. The vineyards were harvested in late February with the grapes picked early in the morning to preserve flavor. The bunches were de-stalked prior to crushing.

### WINEMAKING

By winemaker Johan Joubert.

After a gentle pressing, the free-run juice settled for two days before being racked, and then the wines were cold fermented in stainless steel tanks. Each element was fermented separately. All the wine was left on fine lees before blending, and minimal cellar interference followed before final bottling. Unoaked.

### WINERY:

Rascallion Wines

### COMPOSITION:

40% Chenin, 40% Roussanne,  
10% Grenache Blanc, 8%  
Viognier, 2% Verdelho
