Vinyl Collection: 45 RPM

ABOUT 45 RPM RED BLEND

45 RPM refers to a single, with 3–5 minutes of music per side, 7" record turning at a speed of 45 revolutions per minute. This wine has a Northern Rhone style, plush, succulent, and aromatic. This 45 RPM is a part of the Vinyl Collection, modern blends with a funky retro touch.

TASTING NOTES

Intense red color with a bright purple hue. Dark fruit, berry cherry aromas. Blackberry, sweet dark fruit on the palate with hints of cloves and aniseed. Well balanced with elegant integrated tannins. A smooth, long finish with primary olive and black fruit flavors lingering.

SOIL

The vast majority of the South African wine industry is located in The Western Cape. The Cape Fold belt plays an important part in the viticulture of the region, contributing the ideal soils for the production of premium wines. The climate is Mediterranean, but it can also be cool and rainy.

The grapes are sourced from vineyards in the Piekenierskloof region, with low yields the norm. Each component was picked and handled separately. The vineyards were harvested in late February with the grapes picked early in the morning to preserve flavor. The bunches were de-stalked prior to crushing.

WINEMAKING

By winemaker Johan Joubert. Low pressure crushing occurred, and fermentation took place on the skins in stainless steel tanks for 10 days with pump overs 3 times a day. Each component was fermented separately and blended afterwards. Unoaked.

WINERY:

Rascallion Wines

COMPOSITION:

36% Grenache, 32% Cinsaut,
26% Mouvèdre, 6% Tannat.
