Teso

ABOUT TESO MONASTRELL

The owl is the symbol for Teso. According to the Greek mythology, these animals represent magic and wisdom. Their nocturnal character, represented in the label's black background, also symbolizes mystery and magic. Similarly, this wine offers you a magical and fascinating experience.

TASTING NOTES

Behind the fruit there are faint hints of perfume and orange zest as well as an underlying smell of gravel. Full-bodied and fruit-forward with blueberry notes as well as tasting a bit juicy.

SOIL

Limestone, clay and sand soil, 700m altitude above sea level. This Designation of Origin is located in the town of Yecla in southeastern Spain. Yecla's wines are represented by the Monastrell, an indigenous varietal that produces complex wines where harmony, good fruit concentration and aromatic intensity predominate. Yecla and its countryside are also a great terroir for organic farming; our wines from Yecla are certified free of any chemical whatsoever.

WINEMAKING

Hand-picked grapes, fermented in small tanks which we pumped over several times a day. Oaked for six months in 500lt barrels (50% French Oak, 50% American Oak). Trellising: bush vines.
