ABOUT MADROÑO SANGRIA

A sparkling, sugar-free organic sangria inspired by Madrid's emblematic Strawberry Tree. Made from organic wines and juices, it offers vibrant, fruity flavors in a naturally refreshing drink. Light and elegant, it's ideal for those looking for a clean and joyful taste experience.

TASTING NOTES

It presents a dark and luscious cherry color, with a slight effervescence due to the fine bubbles. It has an intense, citrus aroma reminiscent of orange peel, with red fruit notes. There are hints of lemon with tart strawberry. It has a full-bodied and expansive mouthfeel.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental Mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

It is a craft beverage made with high-quality red wine, fresh orange, lemon, and grape juice, and a hint of cinnamon and clove. It is a blend of organic juices and premium varietal wine made from organically grown grapes.
