Pomelado

ABOUT POMELADO NATURAL FRIZZANTE AMBER WINE

Pomelado is a natural amber frizzante wine, made from a blend of organic white grapes. One of its defining features is its production method, where the wine undergoes skin contact fermentation. This process, in which the grape skins remain in contact with the juice for an extended period, creates a wine with depth, texture and aromatic complexity.

This frizzante version adds a gentle, natural sparkle that enhances its freshness and drinkability. Unfiltered and intentionally cloudy, it preserves all its natural character and authenticity. With no added sulfites, it is a low-intervention wine that is vegan-friendly and free from artificial additives.

TASTING NOTES

Naturally cloudy with a deep amber hue and a soft, lively effervescence. The nose reveals aromas of tropical fruit, bruised apple, dried orange peel and subtle nutty notes. On the palate, it is vibrant and textured, with a fine sparkle that lifts its structure. It balances the grip and light tannins of an amber wine with refreshing acidity, leading to a lively, slightly rustic and highly drinkable finish.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
