HIKA

ABOUT HIKA BASQUE WHITE WINE

Sunset by the bay of La Concha. An elegant and romantic wine.

Crafted in the heart of the Basque Country, this wine reflects the freshness of the ocean, the character of the coastal vineyards, and the authenticity of a winemaking tradition shaped by nature.

TASTING NOTES

HIKA is a pale yellow wine with delicate green highlights, clean, bright, and vibrant in appearance. On the nose, it is expressive and elegant, revealing aromas of white orchard fruits and fresh citrus, complemented by subtle herbaceous notes and distinctive mineral and saline nuances. On the palate, it is fresh and lively, with a delicate natural spritz that enhances its Atlantic character. Long, silky, and beautifully textured, it finishes smooth and persistent.

VINIFICATION

Inertys by Bucher and the Oresteo system, to produce high quality wines. The entire winemaking process is designed to prevent oxidation of the must/wine as soon as it enters the winemaking cellar, thus preserving its full aromatic potential.

Thanks to the system of carbon recovery (Oresteo system), we age it on its own lees using the carbon it has generated during the alcoholic fermentation phase.

WINEMAKING

After alcoholic fermentation at low temperature, it is aged on its own lees in a deposit for a minimum of 10 months, giving the wine volume and unctuousness.

A minimum of 10 months of lees ageing in stainless steel tanks brings added complexity, volume, and a distinctive creamy texture.
