## Galerna

### ABOUT GALERNA

Galerna is the wind that runs through the North coast of Spain. Like blooming flowers this wind usually arrives in in the spring. The 20L keg format protects our wines and extends their shelf life. The innovative design offers numerous chances for breaking into new markets and better serving them.

### TASTING NOTES

Clean and bright with a greenish-yellow tone. Scent of peach, lychee and white flowers. Creamy bubbles with fresh acidity. Flavors of tropical fruits.

### SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

### WINEMAKING

By winemaker Ruth Fernández. This wine has gone through a second fermentation on pressurized fermenters, aging over lees for two months before bottling. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

### MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
