ABOUT LOBETIA SAUVIGNON BLANC
Lobetia comes from the Lobetani, a small pre-Roman Iberian people of ancient Spain, established near where our vineyard stands today. This wine takes part of the heritage and tradition of the land, the same way the Lobetani did. This wine is a true reflection of the soil where it has been grown. Its fruitful and fresh flavor showcases the impression of its terroir.

The 20L keg format protects our wines and extends their shelf life. The innovative design offers numerous chances for breaking into new markets and better serving them.

TASTING NOTES
A golden hue and aromas of citrus. Herbaceous notes on the nose. Light bodied with crispy acidity that leads into elegant minerality that lasts on the palate.

SOIL
In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING
By winemaker Ruth Fernández. Night harvested. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

MADE WITH ORGANIC GRAPES
Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
