## Sonrie

### ABOUT SONRIE 0% SPARKLING ROSÉ

Sonrie 0% Sparkling Rosé is a fresh and elegant alcohol-free rosé made from Tempranillo and Verdejo grapes. With its fine bubbles and delicate pink hue, it's perfect for celebrating any occasion—without the alcohol. Crafted by Bodega Matarromera, a pioneer in non-alcoholic wines, this sparkling rosé reflects the winery's commitment to innovation, wellness, and preserving the essence of wine.

### TASTING NOTES

Bright pale pink with a delicate bead. Red berries, floral nuances and stone-fruit hints. Lively acidity, medium-bodied, with clean red-fruit flavors and gentle fizz.

### SOIL

The grapes are sourced from vineyards in the Rueda region, known for its gravelly, sandy, and clay-rich soils that provide excellent drainage. The continental climate, moderated by Atlantic influences, along with the high altitude (700–800 m), contributes to fresh acidity and aromatic complexity in the grapes.

### WINEMAKING

Grapes are harvested early to ensure a naturally lower alcohol level. After traditional rosé vinification, the wine undergoes a gentle dealcoholization process: a vacuum distillation at low temperatures that removes alcohol while preserving the wine's original aromas and structure. Approved by the European Union, this method delivers a high-quality alcohol-free wine with full flavor and character.

#### WINERY:

Bodega Matarromera

#### COMPOSITION:

Tempranillo & Verdejo

#### APPELLATION:

Valladolid, Spain
