## Sonrie

### ABOUT SONRIE 0% SPARKLING WHITE

Sonrie 0% Sparkling White captures the essence of Rueda in a completely alcohol-free format. A carefully chosen blend of Verdejo, Sauvignon Blanc, Viura and Moscatel is harvested each morning at first light to preserve vibrant aromatics and bright natural acidity. The juice is fermented cool to accentuate varietal character, then de-alcoholized via a gentle, low-pressure vacuum process that retains all the fresh fruit and floral notes. The result is a lively, vegan-friendly sparkler that feels celebratory yet effortlessly drinkable.

### TASTING NOTES

Pale yellow with a very fine, elegant mousse. Fresh herbaceous and anise notes, bright citrus and green apple. Refreshing with a slight sweetness, crisp acidity and silky carbonation.

### SOIL

The vineyards are located in the Rueda area, where diverse alluvial soils—rich in gravel, sand, and clay—foster healthy root development and balanced ripening. These soils, combined with high elevations and cool nighttime temperatures, help preserve the aromatic intensity and natural acidity of the grapes.

### WINEMAKING

Grapes are carefully selected to achieve a lower potential alcohol. After fermentation at controlled temperatures, the wine is dealcoholized using a cutting-edge low-temperature vacuum technique. This preserves the wine's varietal aromas and freshness, resulting in a balanced and expressive alcohol-free sparkling wine.

#### WINERY:

Bodega Matarromera

#### COMPOSITION:

Verdejo, Sauvignon Blanc, Viura & Moscatel

#### APPELLATION:

Valladolid, Spain
